## INSURGENT VIOLENCE: U.S. INVOLVEMENT IN INTERNAL CONFLICT

Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This thesis considers whether or not the presence of the United States military is a necessary or sufficient condition to eradicate insurgencies in the Philippines. Through the analysis of three case studies, we examine relationships among insurgent activities, government actions, and U.S. involvement. This analysis aids in determining how a U.S. presence can help or hurt in defeating insurgencies in the Philippines. Approaching our cases historically, we evaluate how some countries, like Sri Lanka, have been able to eliminate their insurgency with minimal to no U.S. support, and how others, like Colombia, have been able to combat insurgencies and drug-related problems with continued U.S. support. By comparing across these cases, we make a determination about the importance of a U.S. presence in the Philippines.
